

Section 5 . Use the Addendum to complete this section. Assume that the judges book is mechanically correct. The following Allbreed and Specialty kitten finals may have errors. Place an "X" in the box to the left of the any errors and AND make any corrections in the box to the right as needed for the final to be mechanically correct. (20 points)

If there is more than one way to correct a single error, assume the judge wrote the intended breed.

1. You must score of 90% or better.
2. The due date for the completed exam is August 9.
3. Failure to comply with this deadline will result in a \$10 fine and an additional 2 weeks to complete the exam. The new deadline would then be August 23. The additional fee must be paid to the Executive Office and the exam received by this date. No further extensions will be granted.
4. You will receive your score after August 9, but you will not be sent a copy of your exam. A completely correct exam will be posted after the final testing deadline.
5. If the above requirements are not met, the Trainee or Clerk will be dropped from the Clerking Program.
